Graduation Summary 2021

NNMC Graduates

Summary

This is the first NNMC Graduation Summary Report. The intent is to provide graduation data for our internal as well as external stakeholders. The data used for this report is taken from our Banner Database. Data is presented as an annual aggregate total base on Summer, Fall and Spring semesters in an academic year. This is a pilot report and the information will be provided in future semesters using Tableau. We invite and suggestions or questions at this time.

The Graduation Summary will be processed and published during the summer semester. The summer graduation rates will be pending for the most recent year.

Below is a table of contents with table numbers and titles.
